## Quick reference

This is a general checklist. It covers the move-day basics that still need to be locked in.

## 2 weeks before

- Confirm movers or truck reservation details
- Schedule or confirm utilities
- Finish most packing of non-essential items

## Final week

- Set aside essentials, documents, and valuables
- Finish address updates and USPS forwarding
- Check building access and loading details

## Move day

- Keep your essentials box with you
- Confirm timing and contact numbers
- Leave cleaning supplies and keys easy to reach
