

4 Weeks Before Moving - Printable Checklist

Use this as a quick reference. For a personalized, date-based plan, use MoveBeacon.

movebeacon.com

Quick reference

This is a general timeline. The move should now be shifting from planning to execution.

4 weeks before

- Confirm movers or truck details or book ASAP if not done
- Set up utilities and internet
- Start USPS mail forwarding

2 weeks before

- Pack most non-essential items
- Check parking, elevator, or loading rules
- Update banks and key accounts

Final week

- Pack daily-use items last
- Prepare a moving essentials box
- Keep chargers, documents, and keys handy
