## Quick reference

This is a general timeline. Use it for the middle stage of planning, when decisions should start turning into bookings.

## 6 weeks before

- Book movers, a truck, or a container
- Buy packing supplies you still need
- Check move notice deadlines and access rules

## 4 weeks before

- Schedule utilities and internet
- Pack low-use rooms first
- Label boxes by room and priority

## 2 weeks before

- Confirm the move date and time window
- Finish most non-essential packing
- Set aside your essentials box

## Final week

- Finish address updates
- Keep documents and valuables separate
- Review move-day contact details
