Quick reference

This is a general checklist. House moves need setup and access planning, but the printable version stays light.

Home setup

- Schedule utilities and internet
- Confirm keys, locks, and access details
- Check driveway, parking, and unloading space

Packing

- Pack room by room
- Label boxes by destination room
- Prepare the essentials box

Admin

- Review any closing or handoff paperwork
- Update address and billing details
- Line up cleaning and basic tools

Move week

- Keep first-night items easy to reach
- Check smoke detectors and locks
- Plan the first rooms to set up
