Quick reference

This is a general checklist. Long-distance moves need enough structure to act, but not the full timing detail of the product.

Planning

- Book movers or transport early
- Confirm delivery window and route
- Set travel plans for move day

Packing

- Pack for longer transit time
- Keep valuables and documents with you
- Prepare the essentials box

Admin

- Update USPS and billing addresses
- Confirm utilities at both ends
- Check state-specific paperwork

Move week

- Review cost drivers and insurance
- Set aside items needed on arrival
- Keep travel paperwork easy to reach
